At Blackhawk we tell our new students, their path is ripe with promise. Whether it's stepping directly into a career or transferring to a four-year institution, BTC is the best place to start a college education. Letter of Intent Day is for high school students who have been accepted or applied to BTC before February 1. It's a celebration breakfast, hosted by BTC President Dr. Tracy Pierner, for aspiring BTC students, their family and high school faculty/staff. So join us for this special day and watch the next class of BTC students sign their "Letter of Intent" and receive their first BTC souvenir.

BTC is an EO/AA educator/employer. For more information, go to blackhawk.edu
