Summer 2010 Financial Aid Information

Students who wish to receive financial aid at BTC during the summer 2010 term must:

- Be making satisfactory academic progress,
- Have a complete BTC financial aid file for the 09-10 school year that includes receipt of an award letter from the BTC Financial Aid office **AND**
- Return the application form for summer aid on the reverse side of this sheet to the BTC Financial Aid office.

If you plan to attend BTC for the 2010-2011 school year you should submit your FAFSA for 2010-2011 by APRIL 30, 2010. Your 2010-2011 FAFSA may affect your summer aid so it is important that you submit this as soon as possible if you are planning to attend summer courses. ***

Federal Pell grants and Stafford loans may be available to students.

However:

- ❖ If you attended full time during both the fall 2009 and the spring 2010 semesters and received the full award, you might have used up your eligibility for the 2009-2010 year.
- ❖ If you attended either term less than full time, or if you are a new student, you may be eligible for Pell or a Stafford loan for the summer term.
- ❖ Your Summer 2010 **estimated** award will be based on the number of credit hours you indicate on the Summer application and adjusted if your credit hours change.
- ❖ Once your summer aid request has been reviewed you will be **mailed** an **estimated/revised** award letter.
- ❖ You may view your summer award online. To learn how to view your award information go to at www.blackhawk.edu/financialaid and click on How to View Award.

*****New federal regulations are being implemented that may affect your financial aid for the summer term so your award letter may be delayed until all regulations have been implemented.**
