

Air Conditioning, Heating, and Refrigeration Technology (HVAC) Resources

Blackhawk Technical College
2009-2010

Online Databases

BadgerLink

Through state funding this database provides access to magazines, newspapers and a statewide library catalog (WISCAT). It contains 24 EBSCO databases, the largest of which is MasterFile and a good place to begin research. It's address is www.badgerlink.net. It can also be accessed through the library web page under the Find Books & AV link.

Career and Technical Education

This database provides access to more periodicals than any other vo-tech database. . Examples of its full text magazines include: *Air Conditioning, Heating & Refrigeration News*; *ASHRAE Transactions*; *Heating/Piping/Air Conditioning Engineering*; *HVAC&R Research*,; and *Industrial Heating*.

Thomas Register

This directory of American manufacturers allows you to search by company name or product. It provides assets, contact information, parent company and other data about most companies. It is also a means of placing or accessing: RFQ's, CAD drawings, or Catalogs and Websites.
