Online Databases

BadgerLink

Through state funding this database provides access to magazines, newspapers and a statewide library catalog (WISCAT). It contains +20 EBSCOhost databases which index a variety of magazines, many references in full text. MasterFile Premier is a good one for early childhood resources. It can be found either through the BTC library web page through the Find Books & AV link or at this address: www.badgerlink.net.

Career and Technical Education

This database provides access to more periodicals than any other vo-tech database. Subjects include automobile, electronic, and computer technology; the building trades; graphic arts; medicine; nursing and pharmacy; child care; food service; etc. It has full text for more than 400 titles, including *Child Welfare*, *Childhood Education*, and *Children's Playmate Magazine*.
