JEMS Magazine

Online Databases

BadgerLink

Through state funding this database provides access to magazines, newspapers and a statewide library catalog (WISCAT). Badgerlink provides EBSCOhost databases with + 20 indexes to articles, many full text. It can be accessed through the BTC library web page through Find Books & AV or by using this address: www.badgerlink.net.

Career and Technical Education

Provides indexes (with abstracts) and full text articles from vocational and technical periodicals, newsletters and other publications often not found in other databases. Examples include *Emergency Nurse*, *Fire Management Today*, *Fire Technology* and *Prehospital Emergency Care*.
