Online Databases

BadgerLink

Through state funding this database provides access to magazines, newspapers and a statewide library catalog (WISCAT). It contains EBSCOhost, +20 databases indexing magazine articles. It is found on the BTC library web page through the [Find Books & AV](#) or at this address: <http://www.badgerlink.net>.

Career and Technical Education

This database provides access to more periodicals than any other vo-tech database. It has full text for more than 400 titles, including *Computer Protocols*, *Computer Technology Review*, *Computer Workstations*, *Computerworld*, *Network Business Weekly*, *Network Weekly News*, *Network World*, and *Networks Update*.
