Online Databases

BadgerLink

Through state funding this database provides access to magazines, newspapers and a statewide library catalog (WISCAT). To find magazines articles open EBSCOhost for +20 different databases, which can be searched individually or in any combination. Badgerlink is found through the BTC library homepage at the [Find Books & AV](#) or at this address: <http://www.badgerlink.net>.

Career and Technical Education

This database provides access to more periodicals than any other vo-tech database. Many of the publications indexed are full text, including: *CAD/CAM Update*, *The Journal of the Operational Research Society*, *Metalworking Production*, *Training Day*, and *Training Journal*.

Thomas Register

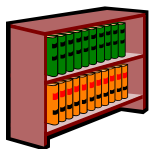

This directory of American manufacturers allows you to search by company name or product. It provides assets, contact information, parent company and other data about most companies. It also a means of placing or accessing: RFQ's, CAD drawings, or Catalogs and Websites.
