Online Databases

These databases are located in the library web page.

BadgerLink

Through state funding this database provides access to magazines, newspapers and a statewide library catalog (WISCAT). It contains EBSCOhost, +20 databases indexing magazine articles. Besides having a link on the BTC library web page under Find Books & AV, its address is: <http://www.badgerlink.net>.

Career and Technical Education

This database provides access to more periodicals than any other vo-tech database. It has full text for more than 400 titles, including: *American Machinist*, *CAD/CAM update*, and *Journal of Technology and Science*.

Thomas Register

Besides contact information, this directory is a means of placing or accessing: RFQ's, CAD drawings, or Catalogs and Websites. This resource is located in the Online catalog on the Visual search page, then through the Research link.
