Online Databases

The following databases may be found through the library web page.

BadgerLink

This database provides access to magazines, newspapers and a statewide library catalog (WISCAT). It contains EBSCOhost, +20 databases that index major US publications. Besides having a link on the BTC library web page under Find Books & AV, it can be found at this address: <http://www.badgerlink.net>

Health Reference Center Academic (Infotrac)

Use this database to find articles on: fitness, pregnancy, medicine, nutrition, diseases, public health, occupational health and safety, alcohol and drug abuse, HMOs, prescription drugs, etc.

Career and Technical Education

Providing access to more periodicals than any other vo-tech database, it includes indexing for subjects in medicine; nursing, office occupations, and pharmacy. It has full text for more than 400 titles, including *Chemist and Druggist*, *Nursing Standard* and *Prehospital Emergency Care*.
