

**Welding**  
Blackhawk Technical College Library  
2009-2010

**Periodicals**

*Modern Metals*  
*Penton's Welding Magazine*  
*Welding Journal*

**Online Databases**

The following databases may be found through the library web page.

**BadgerLink**

Through state funding this database provides access to magazines, newspapers and a statewide library catalog (WISCAT). It contains EBSCOhost, +20 indexes to periodical articles. Badgerlink is available at: <http://www.badgerlink.net>. It can also be accessed through the library web page through the Find Books & AV link.

**Career and Technical Education**

This database provides access to more periodicals than any other vo-tech database. Subjects include automobile, electronic, and computer technology; the building trades; graphic arts; etc. Full text magazines include: *Metal Producing & Processing* and *Metalworking Production*.

**Thomas Register**

This directory of American manufacturers allows you to search by company name, product or service, or brand name. It can be found by using the following links: Online catalog, Visual search, Research.
