

With students in mind, BTC continues to move forward in automating its processes to better serve you.

In the future, all students will register online at **blackhawk.edu** using a Banner Web account that was assigned when you were admitted to the college.

We'd like to help you learn the process and encourage you in making the transition by attending one of a number of upcoming workshops. You can participate in several formats, one option includes hands-on training. Each session is one hour in length. We will cover not only how to register online, but also how to do a course search, review financial aid status, request transcripts, pay fees and review holds.

Below is a schedule of training sessions:

Power Point Presentation

Presentations held in the North Commons

- March 29** 9:00 - 10:00 a.m.
- March 30** 2:00 - 3:00 p.m.

Hands-On Training
