

2020 GRADUATE OUTCOMES STATISTICAL DATA

Survey Procedures: The following summary information was compiled from a survey of the 2019-2020 graduating class conducted six months after graduation. Multiple contacts and methods were employed to reach all available graduates for their participation, and to insure the highest rate of validity for this study. The following summary provides information on job placement, employment status, and salaries of students. The data are dependent on the amount of information returned by each graduate.

¹Number of graduates surveyed - count of program graduates surveyed.

²Number of graduates employed - portion of survey respondents available for employment reporting full- or part-time employment approximately 6-months after graduation.

³Number of graduates in related jobs - portion of survey respondents reporting having a job related to their specific program of study.

Data is based on WTCS Graduate Outcomes (FLW502 and FLW414) results using information provided by the student of the survey instrument.
