## **Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance With Government Auditing Standards**

District Board  
Blackhawk Technical College District  
Janesville, Wisconsin

We have audited, in accordance with the auditing standards generally accepted in the United States and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the business-type activities, the discretely presented component unit, and the aggregate remaining fund information of Blackhawk Technical College District (the "College"), as of and for the years ended June 30, 2022 and 2021, and the related notes to the financial statements, which collectively comprise the College's basic financial statements, and have issued our report thereon dated December 5, 2022. The financial statements of the Blackhawk Technical College Foundation, Inc. (the "Foundation"), a discretely presented component unit, were not audited in accordance with *Government Auditing Standards*, and accordingly, this report does not include reporting on internal control over financial reporting or instances of reportable noncompliance associated with the Foundation.

### **Report on Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the College's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the College's internal control. Accordingly, we do not express an opinion on the effectiveness of the College's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements, on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

## **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the College's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of This Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the College's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the College's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

## **Independent Auditor’s Report on Compliance for Each Major Federal and State Program and on Internal Control Over Compliance Required by the Uniform Guidance and State of Wisconsin Single Audit Guidelines**

District Board  
Blackhawk Technical College District  
Janesville, Wisconsin

### **Report on Compliance for Each Major Federal and State Program**

#### ***Opinion on Each Major Federal and State Program***

We have audited the Blackhawk Technical College District’s (the “College”) compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* and the *State of Wisconsin Single Audit Guidelines*, issued by the Wisconsin Department of Administration, that could have a direct and material effect on each of the College’s major federal and state programs for the year ended June 30, 2022. The College’s major federal and state programs are identified in the summary of auditor’s results section of the accompanying schedule of findings and questioned costs.

In our opinion, the College complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal and state programs for the year ended June 30, 2022.

#### ***Basis for Opinion on Each Major Federal and State Program***

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance); and the *State of Wisconsin Single Audit Guidelines*, issued by the Wisconsin Department of Administration. Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor’s Responsibilities for the Audit of Compliance Section of our report.

We are required to be independent of the College and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal and state program. Our audit does not provide a legal determination of the College’s compliance with the compliance requirements referred to above.

## ***Responsibilities of Management for Compliance***

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the College's federal and state programs.

## ***Auditor's Responsibilities for the Audit of Compliance***

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion the College's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance, and the *State of Wisconsin Single Audit Guidelines* will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the College's compliance with the requirements of each major federal and state program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance, and the *State of Wisconsin Single Audit Guidelines* we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the College's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the College's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance and the *State of Wisconsin Single Audit Guidelines*, but not for the purpose of expressing an opinion on the effectiveness of the College's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

## **Report on Internal Control Over Compliance**

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal or state program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal or state program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal or state program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

**Report on Schedules of Expenditures of Federal and State Awards Required by the Uniform Guidance and the *State of Wisconsin Single Audit Guidelines***

We have audited the financial statements of the business-type activities, the discretely presented component unit, and the aggregate remaining fund information of Blackhawk Technical College District as of and for the year ended June 30, 2022, and the related notes to the financial statements. We issued our report thereon dated December 5, 2022, which contained unmodified opinions on those financial statements. The financial statements of the Blackhawk Technical College Foundation, Inc. were not audited in accordance with *Government Auditing Standards*. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The accompanying schedules of expenditures of federal and state awards are presented for purposes of additional analysis as required by the Uniform Guidance and the *State of Wisconsin Single Audit Guidelines* and are not required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States. In our opinion, the schedules of expenditures of federal and state awards are fairly stated, in all material respects, in relation to the financial statements as a whole.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and the *State of Wisconsin Single Audit Guidelines*. Accordingly, this report is not suitable for any other purpose.

## Notes to the Schedules of Expenditures of Federal and State Awards

Year Ended June 30, 2022

---

### Note 1 Basis of Presentation

The accompanying schedules of expenditures of federal and state awards include the federal and state award activity of Blackhawk Technical College District under programs of the federal and state government for the year ended June 30, 2022. The information in these schedules is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards and State Single Audit Guidelines*, issued by the Wisconsin Department of Administration. Because the schedules present only a selected portion of the operations of Blackhawk Technical College District, it is not intended to, and does not, present the financial position, changes in net position, or cash flows of Blackhawk Technical College District.

### Note 2 Summary of Significant Accounting Policies

Expenditures reported on the schedules are reported on the accrual basis of accounting, except for federal awards expenditures by subrecipients. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the schedules represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years. Blackhawk Technical College District has not elected to use the 10 percent de minimis indirect cost rate as allowed under the Uniform Guidance.

### Note 3 Federal Direct Student Loans (FDL)

The FDL (Federal AL Number 84.268) is comprised of the following Loan types:

Subsidized Stafford loans	\$ 1,777,347
Unsubsidized Stafford loans	1,543,997
Parent's PLUS loan	<u>18,338</u>
Total FDL	<u>\$ 3,339,682</u>

# Blackhawk Technical College District

## Notes to the Schedules of Expenditures of Federal and State Awards

Year Ended June 30, 2022

---

### Note 4 Pass-Through Funds to Subrecipients

During the fiscal year ended June 30, 2022, there were no funds passed through to a subrecipient.

### Note 5 Reconciliation of Revenues to the Basic Financial Statements

The following is a reconciliation of federal awards per the Schedule of Expenditures of Federal Awards to the federal revenues per the College's basic financial statements

Revenues per Schedule of Expenditures of Federal Awards	\$ 14,210,274
Financial aid not recognized as revenue	<u>(3,339,682)</u>
Revenues per basic financial statements	<u>\$ 10,870,592</u>

The following is a reconciliation of state awards per the Schedule of Expenditures of State Awards to the state revenues per the College's basic financial statements.

Revenues per Schedule of Expenditures of State Awards	\$ 15,515,811
Financial aid not recognized as revenue	(792,432)
Aid payments not subject to <i>State of Wisconsin Single Audit Guidelines</i>	
Employer Wellness Program Support	<u>1,000</u>
State revenue per basic financial statements	<u>\$ 14,724,379</u>

State revenues per basic financial statements:

Non-operating revenue	\$ 13,927,588
Operating revenue	<u>796,791</u>
Total	<u>\$ 14,724,379</u>

# Blackhawk Technical College District
