

Dear «FIRST» «LAST»,

We are pleased to notify you that we have determined that you are eligible for a HEERF II emergency grant of «AMOUNT». This determination was based on a review of either your FAFSA application or the Emergency Grant Application that you recently submitted. HEERF II funding was authorized by Congress to aid students during the ongoing COVID-19 national emergency.

Disbursements will begin during the week of May 10. If you have provided accurate direct deposit information, you will receive the grant via direct deposit. You may review your account and direct deposit information in TouchNet in MyBTC. After logging into MyBTC, navigate to the Paying for College page and click on TouchNet.

If you have not provided direct deposit information, or you have added or updated your direct deposit information within the last two weeks, a check for the remainder (if any) will be mailed to the address we have on file for you. If you do not provide direct deposit information, and do not receive a check in the mail by May 25, please contact our Accounting Department at accounting@blackhawk.edu at that time. They will not be able to reissue any checks until May 25.

HEERF II emergency grants may be used for any component of your cost of attendance at Blackhawk Technical College (including housing and transportation costs), or for emergency costs that arise, or have arisen, due to coronavirus, such as tuition, food, housing, health care (including mental health care), or child care.

We hope that this emergency grant provides relief during this difficult time.

Sincerely,

BTC HEERF TEAM
